

Re-Digging the Wells

Pastor Marc Cargill

1/18/26 Koinonia Church, Hanford, CA.

Introduction

1. You are in a Season of Advance!
 - a. God is moving this church forward in His purpose!
 - b. In order to advance things have got to be in place for forward momentum and movement.
2. In order to “get going” the wells need to be flowing.
 - a. I heard the Lord say that you are to re-dig some wells to position you to advance.
 - b. These wells will serve to hydrate you spiritually for the race you are running.
3. The concept of re-digging wells is seen in the life of Isaac.
 - a. It starts with his father, Abraham.
 - b. Then, I want to draw some prophetic connections from this story to God’s heart for this house.

Genesis 21:22–33 NKJV

And it came to pass at that time that Abimelech and Phichol, the commander of his army, spoke to Abraham, saying, “God *is* with you in all that you do.

Now therefore, swear to me by God that you will not deal falsely with me, with my offspring, or with my posterity; but that according to the kindness that I have done to you, you will do to me and to the land in which you have dwelt.”

And Abraham said, “I will swear.”

Then Abraham rebuked Abimelech because of a well of water which Abimelech’s servants had seized.

And Abimelech said, “I do not know who has done this thing; you did not tell me, nor had I heard *of it* until today.”

So Abraham took sheep and oxen and gave them to Abimelech, and the two of them made a covenant.

And Abraham set seven ewe lambs of the flock by themselves.

Then Abimelech asked Abraham, “What *is the meaning of* these seven ewe lambs which you have set by themselves?”

And he said, “You will take *these* seven ewe lambs from my hand, that they may be my witness that I have dug this well.”

Therefore he called that place Beersheba, because the two of them swore an oath there.

Thus they made a covenant at Beersheba. So Abimelech rose with Phichol, the commander of his army, and they returned to the land of the Philistines.

Then *Abraham* planted a tamarisk tree in Beersheba, and there called on the name of the LORD, the Everlasting God.

The Significance of Wells

1. Wells were life-source places.

- Much of the middle East is desert, requiring water sources to be created when rivers or lakes were not abundant.
- These wells made life possible in the desert.

2. Wells were gathering places.

- People would bring their flocks and herds to be watered at wells and while the herd was refreshed the shepherds would talk, build relationships, conduct business and other social activities.
- Often cities (such as Beersheba) would spring up around the well because this gathering characteristic.

3. Wells were strategic places.

- Because of the water and the gathering place, wells were often strategic to own or capture in taking territory.
- They were strategic to sustaining the life and economy of the region around the well.

4. *The significance of Abraham's well.*

- The enemy tries to hinder Abraham by seizing the well.
- Abraham pays the price of seven lambs for the well - the well is ours because of the price paid by the Lamb.
- Abraham planted a tamarisk tree there - a symbol of the Tree of Life and the life-giving ministry of the well.
- Abraham called on the name of the Lord, the Everlasting God - the well is a place of worship and relationship with God.

Genesis 26:1–5 NKJV

There was a famine in the land, besides the first famine that was in the days of Abraham. And Isaac went to Abimelech king of the Philistines, in Gerar.

Then the LORD appeared to him and said: "Do not go down to Egypt; live in the land of which I shall tell you.

Dwell in this land, and I will be with you and bless you; for to you and your descendants I give all these lands, and I will perform the oath which I swore to Abraham your father.

And I will make your descendants multiply as the stars of heaven; I will give to your descendants all these lands; and in your seed all the nations of the earth shall be blessed;

because Abraham obeyed My voice and kept My charge, My commandments, My statutes, and My laws."

Genesis 26:12–33 NKJV

Then Isaac sowed in that land, and reaped in the same year a hundredfold; and the LORD blessed him.

The man began to prosper, and continued prospering until he became very prosperous;

for he had possessions of flocks and possessions of herds and a great number of servants. So the Philistines envied him.

Now the Philistines had stopped up all the wells which his father's servants had dug in the days of Abraham his father, and they had filled them with earth.

And Abimelech said to Isaac, "Go away from us, for you are much mightier than we."

Then Isaac departed from there and pitched his tent in the Valley of Gerar, and dwelt there.

And Isaac dug again the wells of water which they had dug in the days of Abraham his father, for the Philistines had stopped them up after the death of Abraham. He called them by the names which his father had called them.

Also Isaac's servants dug in the valley, and found a well of running water there.

But the herdsmen of Gerar quarreled with Isaac's herdsmen, saying, "The water *is* ours." So he called the name of the well Esek, because they quarreled with him.

Then they dug another well, and they quarreled over that *one* also. So he called its name Sitnah.

And he moved from there and dug another well, and they did not quarrel over it. So he called its name Rehoboth, because he said, "For now the LORD has made room for us, and we shall be fruitful in the land."

Then he went up from there to Beersheba.

And the LORD appeared to him the same night and said, "I *am* the God of your father Abraham; do not fear, for I *am* with you. I will bless you and multiply your descendants for My servant Abraham's sake."

So he built an altar there and called on the name of the LORD, and he pitched his tent there; and there Isaac's servants dug a well.

Then Abimelech came to him from Gerar with Ahuzzath, one of his friends, and Phichol the commander of his army.

And Isaac said to them, "Why have you come to me, since you hate me and have sent me away from you?"

But they said, "We have certainly seen that the LORD is with you. So we said, 'Let there now be an oath between us, between you and us; and let us make a covenant with you, that you will do us no harm, since we have not touched you, and since we have done nothing to you but good and have sent you away in peace. You *are* now the blessed of the LORD.' "

So he made them a feast, and they ate and drank.

Then they arose early in the morning and swore an oath with one another; and Isaac sent them away, and they departed from him in peace.

It came to pass the same day that Isaac's servants came and told him about the well which they had dug, and said to him, "We have found water."

So he called it Shebah. Therefore the name of the city *is* Beersheba to this day.

Seven Wells

1. The well of His Presence

This is the well of the manifest presence of God being experienced in every ministry context and expression of the house of God.

- a. This house shall be known as the place of the encounter—where people come to encounter the living God.
- b. You shall be a people of the manifest presence of the Lord.
- c. There will be an increase of the awareness and density of the presence of God in every ministry space and ministry expression in the church.

2. The well of Praise

This is the well that facilitates the well of His presence as God inhabits the praises of His people.

- a. God is releasing an understanding of the principles of praise and worship that will be transformative to the worship of the house.
- b. There will be a “sound”—the Koinonia sound, that will distinguish your worship in this region.
- c. God is going to gather musicians and singers, modern Asaph’s and psalmists to train and equip this house to bring the worship into new levels and new dimensions of worship.

3. The well of the Prophetic

This is the well where God speaks to His people; where prophetic ministry and prophetic equipping takes place; where people come to hear the voice of God and what He is saying to the Body of Christ and to the world.

- a. This will be an equipping place for prophetic ministry.
- b. Resident prophets and trainers will serve to mobilize and strengthen the prophetic ministry in this region and beyond.

4. *The well of Salvation*

This is the well of evangelistic fruitfulness; where the gospel is preached and souls are saved; where people are added to the church.

- a. God is shifting Koinonia into a multiplication mode.
- b. Salvations and discipleship are going to explode in this next season.

5. *The well of Regional Impact*

This is the well of influence and multiplied presence and effectiveness of the church. It is the well where kingdom partnerships are formed and networks are fashioned to impact a region of the world with the Kingdom of God.

- a. Apostolic grace on the leadership
- b. Campuses in the region and beyond
- c. Partners in ministry will join together for greater kingdom impact in the region.

6. *The well of leadership development*

This is well that produces leaders and multiplied leadership effectiveness.

- a. Strategies and systems to train, equip, and empower emerging leaders in different spheres of ministry and leadership—both in the church and outside the church.
- b. A school of leadership development.
- c. Missionary training center - there has been a deep missionary history in the leadership and vision of the house and it will continue through the training up and sending out of missionaries.
- d. Marketplace Ministries partnering with kingdom expansion and expression. Mobilizing business people and entrepreneurs into the mission of the church!!

7. *The well of Holy Spirit Power*

This is the well of the miraculous working of the Holy Spirit in your midst.

I've seen an increase of healings and miracles in the last number of years. There is a deaf man who attends our church and he asked for healing for his wife who had fast-spreading form of cancer. We prayed for her and she was healed and cancer free!

- a. An increase in the demonstration of the Spirit and power in signs, wonders, healings, and miracles.
- b. You will equip people to function in the anointing of the Spirit.
- c. You will express in ministry how to be naturally supernatural and supernaturally natural.
- d. Deliverance and freedom ministries will be marked by supernatural encounters of people being freed from addictions and bondages and becoming deliverers themselves!

Prophetic Word over Worship Team

Prophetic Summit Weekend 2025

January 17, 2025

[Joel Solomon]

Can I have anybody who is on the worship team come to the front? Come on up. Let's make a big line all the way across—spread out from side to side.

[Joel Solomon to Media Team]

Hey, media team in the back, can I get an ambient Holy Spirit pad to play through the system?

[Joel Solomon]

Alright, spread out further, please—all the way across. Perfect. Someone get a picture of this and post it on the church Instagram!

Now, I want to share a few thoughts with you. First, there's a scriptural understanding that the minstrel stirs the prophetic. David, for example, brought the ark and employed 400 priests to pray and sing nonstop in front of God's presence. History tells us that nearly all the Psalms were written out of this encounter. The priests would stand in the corner and record the songs birthed in that place of presence.

When David, the minstrel, played, what happened? The evil spirit tormenting Saul was alleviated. The prophetic, song, worship, and minstrel playing go hand in hand.

I believe as the worship team goes deeper in intimacy and playing, the prophetic atmosphere in this house will shift. Understand your role here: you're not just a precursor to Pastor Andrew's sermons. You are an end unto yourselves—to lead the people into the place of song and worship.

Secondly, I sense this house is called to birth prophetic songs. There's a grace to write instrumental and worship music that will be sung corporately.

[Joel Solomon]

I see artists from the area coming here. Specifically, I sense a connection to the music department at Fresno State. I don't know how it will happen, but there will be a link. Your songs will change Fresno State's campus in a significant way. But it starts here.

Songs will come during rehearsals. You'll gather to practice for Sunday, and people will sit in the back—some who don't even belong to this church—because they've heard this is a hub for songwriting. Songs will be downloaded from heaven as you rehearse.

You are the tip of the spear.

[Joel Solomon]

Now, spread out a bit more—straight lines, please! (Musicians always have the hardest time obeying straight lines—just joking!)

I want one person behind each worship team member. It doesn't matter who—just make sure everyone has someone standing with them.

[Jack Groblewski]

I heard the Lord say something in alignment with what was just shared about songwriting. There's a branch of study called musical anthropology, which explores how songs rise from specific cultural and geographic contexts.

I sense the Lord birthing two or three songs that will rise from this Central Valley. God is anointing one or two of you to collaborate in discovering these songs. These will shape not just this church's culture but also impact the broader community.

You're pregnant—not physically (clarifying for some who may have panicked)—but pregnant with creativity. It's time to reproduce. Train others, recruit musicians, and pray them in. I believe for twice the number of musicians this time next year.

[Joel Solomon to Congregation]

Congregation, open your hands toward the worship team. This is your worship team—they lead you into God's presence. Honor their leadership.

[Joel Solomon]

Spirit of God, we ask for a fresh anointing over this team to lead the church into Your presence. I declare over these musicians and singers:

- That their songwriting, instrumentation, and musical excellence will increase.
- That their vocal cords will carry anointing to break yokes and set captives free.
- That Heaven's songs, yet to be imparted, will be birthed in this house.

Lord, touch their hands and lips with the coals of heaven. May their playing and singing not merely entertain or give goosebumps but bring Your glory to transform lives.

[Joel Solomon]

Let this house become a wellspring of worship that extends north, south, east, and west. May it draw worshippers from all directions and establish this house as a sound under heaven for Your Kingdom.

[Congregation]

Amen.

Prophetic Word over Andrew and Kerry Cromwell

Prophetic Summit Weekend 2025

January 19, 2025

[Jack Groblewski]

I've got to read this because I wrote it down. I got this in the middle of the night last night.

When God speaks to you at night, it's worth getting up and writing it down. Are you there? I know—there are a lot of people here who God speaks to and wakes up in the night. Raise your hand if that's you. Oh yeah, lots of you. Write it down!

[Jack Groblewski addressing Kerry]

Kerry, I hear the Lord saying to you:

Shabbat Shalom. Shabbat Shalom. Shabbat Shalom. Shabbat Shalom.

I'm taking you into a season of Sabbath, where you'll be surprised by the ways I give you rest. When you realize what's happening and become energized anew, honor it, says the Lord. Honor it because it isn't in your nature to do so.

Do not work for your rest; it won't be found where you might normally look. But seek Me with all your heart, and you will find Me.

Others will see you and say, "Wow, look! There's a woman who walks on her knees—and yet she's really fast. How does she do that?"

My plan for you is to increase the intensity of your joy in the days ahead. You're going to meet someone who will become important relationally. The sign that this is a divine appointment is that you'll be intrigued by her—just when you think you're incapable of being intrigued by anyone.

She will contribute to a new model of you.

God says, "By the way, don't worry about that kid. I have a bead on him, and he's locked in."

God also says you're going to write a cookbook. Yes, I think it's a literal cookbook. Recipes you'll create—peculiar ones. And for that reason, it will be popular. That's totally random, I know.

[Jack Groblewski addressing Andrew]

Andrew, I hear the Lord saying He's going to invade your very physiology to increase your longevity. We're talking Holy Spirit genetic engineering.

You eat correctly, take care of yourself, and do all the right things. But God says, "Your DNA needs a boost." He's going to enhance you so you can keep up with the woman He's given you for the fulfillment of your mutual destiny.

Your destiny is mutual.

One of your ancestors misbehaved in such a way that the enemy introduced a flaw. But God says, "I have dispatched a fixer angel right now to give you a microbiological upgrade."

Let's pray into this.

[Jack Groblewski leads prayer]

Extend your hands.

We loose that angelic presence over Andrew right now. We break the power of anything working against him physiologically.

We speak long life, long life, long life, in the name of Jesus Christ of Nazareth. Amen, amen, and amen.

[Jack Groblewski addressing the church]

I hear the Lord saying to this church:

"There's a certain people group in this region you don't see—and they don't see you."

I'm not sure whether it's ethnic or what the nature of this is, but God says, "In this season, I'm going to give this church a cause to be discovered. Both the people group and the church will be hidden from one another no more."

God says, "I've made you to be the most welcoming of people, and I've made you attractive—and that's not for nothing. Be prepared to be surprised by who I'm sending to you."

[Joel Solomon]

Amen.

As Pastor Jack was praying, I was reminded of the story in the Bible where the king strikes the ground with arrows only three times. The prophet says, "Because you've only struck it three times, you'll only overcome three times."

I hear the Lord saying, "Keep striking the ground. Keep firing every arrow you have. Keep coming to the place of prayer—month after month, year after year."

Enemies you don't even know about will gain a foothold if you stop striking the ground. But if you stay faithful, expansion will come.

The Lord says, "Vision is not a bad thing. Desire for expansion is not a bad thing. Do it right. Do it healthily."

You added a service recently. Soon there will be a need for another. Service teams, hold your breath. Keep striking the ground!

Just like the widow who kept putting out pots of oil—oil flowed as long as she put out pots. Congregation, bring more pots! If you keep putting them out, the oil will keep coming.

Raise your hands toward your pastors. If this word resonates with you personally, receive it for your own heart as well.

[Joel Solomon leads prayer]

Father in Heaven, we thank You for the place of influence You've given this house. We pray for more.

Say it with me: "More!"

We pray for more victories, more healings, more global workers sent from this house. More services, more ministries launched, and more people reached.

Lord, would You give Andrew and Kerry—and everyone in this house—as many arrows as needed to defeat the enemy? May they never shrink back from putting out more pots and firing off arrows for Your glory.

In Jesus' name, amen.

[Joel Solomon]

Let's give God a hand!

[Trish Groblewski]

On Friday night, during worship, I had a vision of a huge cylinder connecting this campus to heaven. Nuggets of gold—spiritual plans and purposes—were falling into people's spirits during worship.

Be attentive during worship. Ask God what He's calling you to do, and bring it to your leaders.

[Trisha leads prayer over Andrew and Kerry's marriage]

Father, we thank You for Andrew and Kerry, their calling, and their obedience to walk forward into every dimension You've given them.

Bless their marriage. Bring even greater unity and alignment as they fulfill Your plans for this church. Show them how to navigate the waters ahead.

Blessing, favor, and anointing over them, in Jesus' name. Amen.

[Joel Solomon]

Let's thank the Lord for this couple!

Further Explanation:

Koinonia’s Prophetic Council has submitted prophetic words for Koinonia Church for 2024. This is a summary of those words drawing on key themes. Like many portions of prophetic Biblical passages, this information follows an “If...then” conditional statement communication style. Example: “**If** My people who are called by My name....**Then** will I hear from heaven...” In this summary, it is clear that the Lord is calling Koinonia Church both individually and corporately to actions that will lead to marked and powerful outcomes.

The If:

In 2024, the Lord is urgently calling Koinonia to higher levels of stewardship. This stewardship is both personal/individual and corporate/congregational. This involves sanctification [cleansing from sin] and consecration [dedicating ourselves to His purposes]. This process involves surrendering to the Lord on a more intentional level. In this process, the Lord is shaking and sifting our lives, thoughts, and purposes. In surrender, the Lord is asking us to seek and obey Him more intentionally. It is a call to be obedient to His love. On a personal application, this obedience to His love requires a higher level of trust in His ways even when they don’t make sense. This obedience to His love is also to be extended externally to others – to see others as He sees them. He is calling us to care for others with His heart: To care enough, to care more, and to care for others. This is the call of a shepherd for His sheep and the outcast and the prodigal. It is also a charge to love the unreached – seeing them through His eyes and loving them with His heart of compassion. A major thrust of this prophetic word is that this new level is to be multigenerational and multidimensional. We are to pursue and learn from Him how to work together and leverage the giftings and callings of each generation. In the season ahead, multigenerational teams will lend strength and protection as we move into our destiny. As the generations stand side-by-side, there is a closing of the ranks, so the enemy cannot slip in and

a stirring up of the power of the Lord. It will bring a release of the anointing and power of the Lord.

The Then:

The results of this new level of attention to stewardship are going to bring a marked season of increase both individually and as a church body. The Lord emphasized that he desires to bring a great harvest and a fruitful season to Koinonia both individually and corporately. It is going to be achieved and supported through multigenerational cooperation and coordination. It will be like the Ruth-Naomi relationship of mutual dependence. They realized they needed each other and made each other stronger and more successful as they leaned into each other's strengths. This season of increase is going to establish life-giving roots that not only provide sustenance but also foundational support to the increase in structure that will be needed. Picture it like a living foundation that expands to support the new growth. This season of increase will also result in multidimensional blessings, the return of the prodigals, a place of greater freedom, and the establishment of new territory. Again, this will be both individually and corporately. As the generations work together, there will be the birthing of new ideas and ministries, new levels of deliverance and empowerment, and a release of unique dimensions of God's heart and plan realized and experienced. No limits for a limitless God as we follow and obey His call.

The Warning: Hold your ground and stay firmly established in the Lord.

- 1) Fear not – Fear is the opposite of faith. It's time to ask the Lord to increase our faith. The Lord has given you His power, His Love, and His mind – keep putting them on.
- 2) Stand firm – Do not be tempted to give in to sin or give up your progress as a Christ follower. Don't give to distraction, apathy, disunity, bondage/sin, and abandoning or neglecting your place in God's kingdom.
- 3) Trust Him – If we will be strong and courageous, and not give in to the enemy's intimidation and fear tactics, we can trust God to be our great Defender and Protection.

Prophetic Summit January 19-22, 2024
Compilation of Prophetic Words over Koinonia

Session I
Friday Afternoon Staff Gather

God is taking limitations off of this house. The spirit of upgrade – level up.

This is a church that's getting ready to move. This isn't a walk season. This isn't a crawl season. This isn't even a run season. This is a move. This is like race car season. You guys are about to go places really fast. In order to go places, really fast you have to have done the work. It's like you're going through a prophetic boot camp so that you can handle the speeds this church is about to run at and drive at.

There's a restoration. There's a setting free. There's a deliverance God even wants to bring to this area. There's such addiction in this area. It's secret addiction. It doesn't look like people are walking in addiction. Actually, since one of the things God wants to break is addiction to pain pills, alcoholism. God wants to, he wants to break it.

But there is a without sign, without incident anointing on this house for deliverance. I hear a sound coming from your worship of deliverance. I hear the sound. of the chains falling. I hear the sound of addiction breaking. I hear the sound of minds being healed. There's something in this house, in the realm of deliverance that God wants to do in this hour and it's not weird and it's not scary and it's not shrieking and it's not that but it is people who are desperate and they need a touch. There's a healing that's going to come to minds even in this house. Mental illness, anxiety, depression, borderline personality disorder, schizophrenia.

I see there's a circle anointing on this house. All of you in this room, you're supposed to have circles of people. There is a group of men and women that God wants to raise up in this hour who walk with people into deliverance.

There's a freshness coming upon this house, but it starts here in this room. This is a strategic war room in the spirit and so there's freshness coming, fresh vision being released. You're going to dream again says the Spirit of the Lord this house is my dream, this place, the strategic location in this city in this region in this valley in this state is strategic in the center.

Psalms 144 And we just want to declare this over this house; in this house, our sons will be like plants nurtured in their youth our daughters like corner pillars that are carved in the palace style. Our storehouses will be full and supplying all kinds of produce. And actually, this is twofold because there's also been an assignment against your finances even as individuals of this house. There's going to be a supplying of all kinds of produce, walks increased by thousands. And so, we just declare, God, that this house is going to be happy because the young people of this house are going to walk into full maturity and become the adults of this house.

And I keep hearing this word even in the atmosphere, there has been a miscarriage of the next generation. And we declare even in this house that children and teenagers and young adults are going to go full term. They're going to grow to full maturity and they are going to be birthed in to the house of God. There's not going to be a break in the generations in this house.

Session II

Friday Night Leadership Community Gather

God comes and he breaks the chain and he breaks the oppression and he says this is a day of freedom for this house. This is a new day for this house. This is a new day for your family and your future. So, we say in the mighty name of Jesus, left, right, left, right.

This house is pregnant with purpose. Amen God's up to something big in this place. This is a time where God says, now, this is an appointed time. The set time of favor has come. There is an enablement there is an empowerment there is an anointing that God is assigning to this house in this time.

This house is poised in the spirit. You're positioned at the edge of the promised land, ready to move in and possess everything that God has promised. And he says to you these words, I have given it to you. But now you've got to take it. Now you have to possess it. It's yours. Take it.

I'm making this house a Joshua house. I'm making this place a Joshua place. I see an army. And so, what God wants to do in this house is raise up an army of 65 plus, 75. There's fresh oil and there's new anointing for you. We need you in this house.

What He's about to do in this house and in this region in this next season is going to be really powerful. There's a harvest of people, of souls that are designated to come to this place. I'm talking about people getting saved. Not just church transplants, but like household salvations. And so, we got to know how to pray. Sometimes we don't know how to pray, we just pray in our heavenly language and the Holy Spirit prays through us. Amen? But just lift your hands to heaven right now because there's a fresh mantle.

And the move of God that is supposed to take place in this church, in this city, is gonna be birthed in prayer.

Session III

Saturday Morning Prophetic Workshop

So, when we begin to interact with heaven and that ladder comes down, because there's a ladder in the middle of this room. I don't know if you know that. There's a ladder in this room and angels are ascending and descending in this place. There are angels all over this campus right here, but in this room, there are angels lined up.

There's a ladder right here, right in the middle of this room. I'm just telling what I see in the Spirit. There are angels all around this room, and this is a river. So, when you come up here, (altar area) you're jumping in the river. And this is a river church. And river churches produce river people.

In this region, can I prophesy into this region? There are stopped up wells from former generations and former seasons that have hindered and held even prophecies of the move of God and revivals in this region. But God says, I'm raising up a church called Koinonia in this place who's going to re-dig some wells. Who are gonna unstop some wells, gonna pull up some rocks and some hindrances, and the stream of water is gonna flow in this region once again. It's gonna be so powerful, what's gonna come forth is an artesian well.

It's a well that does not run dry of pure water, of purity. For the Lord says that I'm making this house a pure stream. And so, this river that flows here in this room is a pure stream. And God's raising up a pure church in this hour. That's going to be different than anything this region has ever seen before. Ha, for even the spirit of religion is being lifted off of the central valley.

And foolishness, foolishness is being lifted off in this area. There are ones that have come into this whole center valley of California and have taken advantage of God's people. And the Lord says enough for you are strategically positioned in the middle of this state to touch the golden state. For the Lord says that I'm not done with California just yet. There have been prophecies of judgments, there have been prophecies that this place is going to turn into a communist state and socialism and all this stuff. But the Lord says, I have a redemptive purpose for California, for they even say as goes California, so goes the rest of the country. And I'm starting a move in this state, says the Spirit of the Lord, even here in the Central Valley and even in this house that is going to move across this nation from west to east, says the Spirit of the Lord.

I'm causing the spirit, my spirit to rest in this place in a mighty way. God says, I'm moving up and down the I-5 corridor. And there's gonna be certain prophetic houses and places where the fire of God is gonna drop and I feel like we're in one of them right now. We're in a house where there's gonna be such a move with the spirit.

You're going to have to come to church early, like an hour early, just to even try to get into the door to get a seat because people are going to come from the highways and the byways. They're going to come into this place. They're going to drive an hour away, 90 minutes away, even two hours away. You're going to meet people who are going to come in here. They said, "I heard about the move of God that's taking place in this house and I got to be here". And so, watch and see because one of the earmarks that's going to take place is going to be the miracles that are going to be released in this house. The blind are going to see, the deaf are going to hear, the lame are going to walk. HIV is going to be healed. Cancer is going to go. Sickness and disease, autoimmune diseases, even emotional things. People are going to be healed and there's going to be healing of church hurt. There's going to be healing, even creative miracles in the realms of ADD, ADHD, autism.

But God wants to release something in this region, in your generation (young adults). There's been something about, okay, I grew up here. Let me get out of here. And you're going to see God's going to start calling some people back from your generation and they're going to be like, I don't know why, but I'm just supposed to go home. And I'm telling you, mark these words, they're going to start coming home because God's drawing people for what He's about to do in this hour and He's drawing a generation and He's drawing your generation. And today the Lord says that, "I'm lifting lids off of you now. I'm lifting limitations off of you now. And I'm causing you to step into a place where you're going to know me, says the Lord. Your relationship with me is going to now deepen." And each and every one of you, in your own way, you're going to begin to hear the sound of God's voice. For God said, even last night, that I'm raising up a prophetic company of people in this house.

And I just believe that you all are a first fruits of what God is about to bring even in the revival that's about to happen here. Because part of the move of God that's gonna take place is with young adults and also you; middle school, high school, college, young professionals, young couples are all gonna start flooding this house. It's... And let me tell you something for other generations. They need fathers and mothers with affirming tongues.

Session IV

Saturday Night Worship & Prophetic Ministry

Proclamation over this house, He is making us drought proof, famine proof, recession proof.

God's gonna put an anointing in this house to re-dig some wells in this region. There are wells of revival. There are wells of, think God has prophesied. There's so many prophecies over this place and over this area, it's unbelievable. How many have heard prophecies? The prophetic words of the Lord. God has spoken his word and he says, I'm unstopping things. And he steps into this place called Beersheba, and this is where you are prophetically. You're at a place where you've stepped on some territory in God, where under the ground, the water table has the capacity, not just for one well.

But this place that God has brought this house to in this season, under the water table, it has the capacity for seven wells. For there's a well of revival that God is stirring up in this place.

There's wells for the young people. There's wells of healing. There's wells of miracles. It's not just one well. There's wells of praise and worship. I was watching the worship team here and I heard the Lord say, ha, I'm about to rain down new songs in this place. Because there are songs that are to be written that only can articulate what God has done. There isn't a song that has been quite written yet, and so there's going to be songs that are going to come off of sermons, they're going to come off of moments in God, and they're going to be fresh songs and new songs and God songs and spontaneous songs and Holy Spirit songs. They're going to be released in this house. there's a well of worship, of praise and worship. There's a well of prophecy, of the prophetic in this house.

You have stepped into the territory where you're not a one-well church.

But you are a seven-well church, and God is about to cause those wells to release a mighty flood of water that is going to cause a revival and an awakening in this region like you've never seen before. And so, the question is, are you ready for it? Because guess what? What do you do when you step onto territory with like this? Because you've never passed this way before.

There's a river here. But what I see is I see a well. And I see that there's a stone on top of that well. Not because you guys aren't awesome pastors, but there's a lot of history that's kept that well from being opened.

Pastor Andrew and Pastor Kerry, you guys are spirit, truth, pastors. You hold both those things. You're actually part of the company, the company of pastors and prophets that God is raising up in this hour who walk in spirit and truth.

God wants to open the well of his spirit in this hour. God wants to open the well of his spirit here in Hanford. God wants to roll away the stone. He wants to roll away the stone of criticism. He wants to roll away the stone of negativity. He wants to roll away the stone of evaluation. He wants to roll away the stone that says, well, if we make ourselves open to the spirit, crazy stuff's gonna happen. He wants to, he wants to roll away the stone because there are people who are dying and thirsty in the wilderness and I just believe He wants to roll away the stone. And tonight, the wells reopen. Tonight, the wells reopen. There is a historic, I don't even know the history of your city, but you can sense it. There's a historic movement of the Spirit, even in this city. I wouldn't be surprised if in past days, revivalists came to this town. There is a historic move. And so, we begin to sing. Spring up, spring up well.

I actually, I just have this prophetic sense that God is doing something in this house. Like David had his mighty men and he had his 30 and he had his three and I just feel Pastor Andrew and Pastor Kerry that God is, he's doing this thing that he's bringing this 30 around you of these just sterling people of valor and might and strength. People like Benaiah and I who jumped into a pit with a lion on a snowy day and came out prevailing.

And even God is raising up in this house, this company of mighty men and mighty women, and they are giant slayers. This house is gonna be known as a house of giant slayers.

Session V

Sunday 9am Service

Even right now there's a walk with me, work with me, watch how I do it, rhythm, cadence that this church is going to begin to pick up. And it's not like a hard cadence, it's not a hard rhythm, it's an easy one. And there's rest in the room and there's an invitation of the Spirit to complete some things. And it's not going to be by your might, it's not going to be by your power, but it's going to be by His spirit. And so, we just say to any strain, we say to any religion, we say to anything in the room that's trying to make ourselves right with God, that's trying to accomplish God's work for him. We just say, be at rest. And we say right now.

The salvation of the Lord is being released. The completeness of the Lord is being released. There's a weariness coming. I mean, there's a weariness that's been here, and there's just a beautiful rest. This is gonna be a season of Sabbath rest for this house. But don't worry, stuff's gonna happen. It's just not you doing it.

And I believe even here this weekend that God is commissioning in this house messengers who have a message.

You're not just spectators. You're not just churchgoers. You're not just people who listen to a message. You are messengers. And you have a message. And you were created to run, to place after place in this city and this region with that message. The journey wasn't for your demise. The journey wasn't for your destruction. The journey was because God was developing the message in you. This is going to be known as a house, not of sympathy. This is going to be known as a house of empathy. This is going to be known as a house of compassion. This is going to be known as a house of comfort. But beyond all things, this is going to be known as a house of salvation, where God works wholeness. This is not an empty envelope kind of church. Even this weekend, God is filling your envelope. Run with the message of God.

Session VI

Sunday 11am Service

And let me prophesy over this house that the river of God that's in this house is about to go out. And like the scripture says in Ezekiel 47, everywhere the river goes, it brings life.

Because the next measurement, a thousand cubits, turns into waters to swim in. Well, you become one with the river. But I said it's an exponential step. It's exponential because in the past, the angel measured out, the angel measured out, the angel measured out.

One, two, three. But the next one, because that three, first three covered half the body. But the next step is exponential. It's going to cover the entire body and it's going to be waters to swim

in. So, here's the word of the Lord to you today. What took three to cover half is now only going to take one.

What took three in energy, in people power, in resources, in finances is now only going to take, somebody put your finger up, one. You're entering into the era of one. God is bringing this church as one.

There's a supernatural unity that is about to take place in this house because you're gonna be, put your finger up, one.

How many miracles does it take to start a revival? One. You're moving into the era of one. It's an exponential step. And what used to take three, one, two, three, is now only going to take one, says the Spirit of the Lord. For the Lord declares over this house, acceleration in the ministry, but also acceleration in your lives. This is going to be the greatest year of fulfillment that you've ever known before.

You have prophecies that have been declared over this house. And God says, because of the time that we're in, it requires quick works. And I'm going to start doing some quick works in this house, says the Lord, and it's going to change everything. So, are you ready? Can somebody say, I'm ready? Are you ready to see God move? Not just in here.

Because everywhere the river goes, it brings life. Can somebody say that? Everywhere the river goes, it brings life. One more time. Everywhere the river goes, it brings life.

In fact, this is a Psalm 133 kind of house where the brother's dwell in unity and you're a unifying factor.

God's raising up yet another layer of leadership in this house. And He's identifying them in this next season.

This is a season of recovery, Pastor Andrew, Pastor Kerry. Pursue, overtake, and recover all. Sometimes they don't feel like we have the energy to pursue, let alone overtake, let alone recover all. But the word of the Lord says it's a time of recovering all. And so even the discouragement of the last seasons and some of the losses that you felt in different things. God's exchanging them for wins now. And the enemies tried to have his way and move things around and even cause you to just say, what are we doing? Where is this going? We didn't sign up for this one. But the Lord says, I'm replacing the question marks in this house with exclamation points.

The Lord's saying, I'm gonna do the work. You just sit back and relax and watch me work, because it's going to be powerful. You have a power team.

You have a power team that God has given you. And so today the Lord just calls us even a word of encouragement to be released upon you in this season. The future is already set. The future is already in play. And all of the players that God's bringing to the table are so powerful. It's so amazing. And so even today there's a refreshing that's coming to you.

You were prophesying over yourself this morning, when you said just open up your arms and just let the rest of God come upon you. This is a season of shalom. This is a season of Sabbath. This is a season, like you said, of rest that's coming upon you. And you're gonna find that the more you rest, the more gets done.

God's making some adjustments in the spirit because of where this thing is going. Do you realize that this house is about to move into prophetic fulfillment? You had prophets come in here last year. You have some here. You probably had some before. And there are many great words that have been spoken over this house.

Pastor Jack Groblewski
Over Koinonia Church (Hanford, CA) on 08/27/23

Koinonia as a church is poised in God to enter a **new season** of taking **new territory** for the Kingdom of God. Accompanying that is going to be **kingdom increase in this region**. I believe that many of the **brothers and sisters here at Koinonia** are going to find yourselves **personally** in positions to take new territory for the Kingdom of God. Each of yourselves **personally** as well as your **families**.

There is an **anointing on the church**. And now it's a season – it's not like it's going to happen next Tuesday, all at once, although it could begin next Tuesday. I hear the Lord saying the **territory taking** is going to have a **spiritual** dimension, an **emotional** dimension, a **harvest** dimension, and a **physical** dimension. To encapsulate what I am saying, I hear the Lord saying to this church be prepared to enter a **pioneering season**, appropriating a **new level** of Kingdom effectiveness.

Now concerning the **spiritual dimension**, I see the Lord upping the levels of **effectiveness** of your **prayer teams**. You don't have to do anything except be willing. Upping the levels of effectiveness of prayer teams especially in the areas of **physical healing** and especially, especially, especially in the areas of **deliverance**. The **discerning**, the **distinguishing of spirits** and **addressing them** with a new empowerment is coming upon this church from God. The **Spirit of Wisdom** is going to literally inhabit the **counseling ministries** here. What took months and months of therapy will be distilled to weeks because of the **increase of the prophetic words of Wisdom**. All of this will **result in the piquing of the curiosity of the lost** in the community at large. And that will result in an **increase of harvest** which, I'm not proclaiming a revival at Koinonia Church but I am proclaiming that there will be a steady and dramatic increase in the number of salvations that you see and that's probably because God's gonna be merciful because **you'll need to adjust**. (A straight line ascending harvest, not an exponential curve).

I hear the Lord saying that **worship** is going to reach **higher heights in praise** put simultaneously a **deeper depth of encounter**, because burdening some of the **worship leaders** to **mine** again the depths of worship that seeded in old revivals and pioneer that gold from that period and refashion it here to **unique corporate song** that's going to characterize and identify Koinonia as a church which worships with a **new compass**. God's given you a **new compass of heaven** – a new compass for the kingdom of heaven. The song of the Lord is rising again.

And I hear the Lord saying is there's actually some **real estate territory** going to be taken. This church is going to **mirror itself on other grounds** somehow. Such as that people who have been lost to apathy will become vital again with a resurgence of hope.

Pastor Andrew, God is saying to get on your **coonskin cap** – Davy Crockett — and put on kingdom spectacles. Angels, praise the Lord, angels, Andrew, are gonna come and say “Jeepers creepers, where’d you get those peepers?” Because where as you proliferated in that which I’ve given you, says God. You’ve been so faithful and so loving. I will draw you into a **season of reproduction** and you shall pull the rug out from under the enemy’s plans for this region. God says: Don't you humanly look too hard, don't be burdened for the vision, I will show you in time and it will be your time to see clearly what I do, says God. And when you do, the **provision will be there** before you ask for it, because for Koinonia Church, God bless you all, **this is a season of territory taking**, says the Lord.
