

Life Lab #2 — The Problem of Sin

Discussion Questions

1. Why do you think it's important that we be honest about the fact that we live in an evil world? What happens when we live in denial of the reality of evil?
2. Why do you think it was so important for God to give us free choice?
3. What is the difference between God allowing evil and God doing evil?
4. How have you given Satan too much credit for the natural evil that happens in the world? How have you given him too little?
5. What are some of the consequences you have experienced in your life because of sin?
6. There is a real battle waging inside of each of us between our flesh and our spirit (once it is filled with the Spirit of God), have you noticed that there are conditions in your life when you are more prone to sin (e.g., you're tired, stressed, angry, etc.). What do you (or what can you) do to protect yourself against these weak areas?
7. Jesus taught us to pray "deliver us from evil" (Matt. 6:13). In what area of your life can we pray that you will be delivered from evil?
